### EMERGENCY PREPAREDNESS REMINDER

In the event of an emergency, we need to make sure our students are safe and cared for. PAC has provided some provisions to assist the school in doing just that. However, it is very important that families update their emergency contact information and make a plan to collect your child as quickly as possible. This might mean having a neighbour or friend as an emergency contact to collect your child if you cannot. Please take the time to ensure that the information provided to the school is up to date and correct.
